Rollover Dollars...for Your Dental Plan!

Earning Rollover Dollars for Use in Future Years is Simple!

- 1) Elect this Guardian Dental coverage through ADP TotalSource
- 2) Go see the dentist at least once during the plan year (remember...cleanings are important to your overall oral health!)
- 3) Incur less than the plan Threshold (varies by plan design) in paid dental claims. That's it!

Promotes Preventive Care: Participants receive rollover dollars in their Maximum Rollover Account if they visit the dentist at least once during the year and do not exceed the Threshold

Easy to Track: Members can look up their Maximum Rollover Account Balance online; They will see their current balance available for use during the current plan year.

Annual Maximum + Rollover Account Balance = Maximum Dental Coverage: Members Accumulate Rollover Dollars: every year until they reach their Maximum Rollover Account Balance Limit

Jane's Dental PPO Plan Example: \$1,000 Annual Maximum

YEAR ONE

Jane's Maximum Dental Coverage: \$1,000

Jane has \$150 in dental claims (less than this plan's threshold of \$500).
Jane receives \$250 'Rollover Dollars' for use in Year Two.

YEAR TWO

Jane's Maximum Dental Coverage: \$1,250

Jane has \$250 in dental claims (less than the plan threshold of \$500).
Jane receives an additional \$250 'Rollover Dollars'.

YEAR THREE

Jane's Maximum Dental Coverage: \$1,500

Jane has \$1,350 in dental claims (greater than threshold of \$500).

Since Jane had claims higher than \$500 this year, she does not receive any additional 'Rollover Dollars'.

Jane's claims are higher than the plan's Annual Maximum of \$1,000, so she uses \$350 of out of her Maximum Rollover Account to cover her claims.

Jane still has \$150 Rollover Dollars left in her Maximum Rollover Account, so she will have \$1,150 of Maximum Dental Coverage in Year Four.
